Stable wood construction. Pictured here in varnished red oak

Designed for workshops where ease of portability and ability to fit on trestle tables are important.

Folds flat for carrying.

Supports a wide range of board sizes.

Alternative models for optimum work height and slope.

May be used standing or sitting

Suitable for any media: watercolor, oil, drawing etc.

To order, fill in your name/email/phone and **circle** the designs you wish to purchase.
